THE EXPERIENCE

Imagine a private sanctuary of tranquility and balance where the smallest of details have been carefully crafted with your experience in mind. Imagine an escape destined to expand your journey, while ensuring your privacy. Imagine Kenoa, Exclusive Beach Spa and Resort, a first wave eco-chic design resort. Embraced on the north by the resplendent panorama of miles of virgin Atlantic outback and on the east by the turquoise enchantment of the open sea, Kenoa Resort is as wondrous as it is very private, a place where luxury is defined by its earth-given beauty.

Kenoa service style is best described as residential luxury. Intimate without being intrusive. Executed by impeccably trained attendants who capture your preferences and whims without perception, Kenoa delivers a world-class hideaway experience that only the fortunate few can enjoy, and that Brazil is proud to present.

THE BEACH

Barra de São Miguel is located 40 km south of Maceió. On the beach's right side, a long reef barrier makes great natural pools during low tide, with clear green-toned water. On its left corner, where the reef does not surface, the ocean presents itself with the pleasant and smooth sounds of waves breaking in golden sands.

Also on its right side you can see a lagoon complex and an untouched mangrove. Between coconut trees, where the lagoon meets the ocean you will find Gunga beach, considered to be in the top seven most beautiful beaches in Brazil. From the top of the hill, a sightseeing spot with dazzling views of the town and its natural beauties.

ACCOMMODATION

O Kenoa Resort has 23 rooms with ocean view. KENOA SPA

The kenoa spa is a wellness sanctuary where all five senses are pampered and where you can be rewarded with a break from today's troubled times. The space weaves the elements of air, fire, earth and water into a singular subliminal message of colors, flavors, scents, textures and sounds.
